

SuperSaver

**Now that you've chosen your gown,
It's time to think about your Bridesmaids!**

Brides can really save their attendants' money by taking advantage of Bella Rosa's unique **SuperSaver Program**. Here's how it works:

- For parties of two or more, each attendant's gown will be discounted by as much as 20%.
- Each attendant's gown is paid in full at the time of order, and the entire party's order will be placed together with the designer to insure color consistency.
- Each gown will be received from the designer by Bella Rosa, inspected for quality and accurate sizing, tagged with each bridesmaid's name, and forwarded together to your designated "ship-to" address below.

With over 200 bridesmaid styles to choose from, we know you'll be able to find just the right look for your wedding party!

I have read and agree to the terms described above and below:

Additional Terms:

- Customers will be provided with all the necessary order forms and information (including size charts) and will be responsible for designating a dress size. Bella Rosa staff will be available for measurements and advice, but final responsibility will rest with the customer. There are no refunds, returns, cancellations or size exchanges.
- Single "Add On" orders placed with the store after the other gowns have been ordered from the manufacturer are not eligible for discounts. Two or more "Add On" orders may be placed together as a separate SuperSaver order. Such orders may be delivered separately from the other gowns and may come from a different dye lot.
- Dresses must be shipped together to the address indicated above. Pick-ups cannot be accommodated, regardless of a customer's proximity to the store.
- UPS Ground shipping is complementary within Virginia. For addresses outside Virginia, there is a single \$30.00 shipping charge for the entire order. Quicker delivery is available at additional cost. Although merchandise is insured, it is advised that the bride provide an address that is attended during delivery hours to minimize the chances of theft or damage. Bella Rosa can take no responsibility for packages left unattended at the bride's shipping address, or for damages due to theft or weather.
- Alterations service by *Natale's Alterations Express* and pressing are both available at Bella Rosa by appointment and at additional cost.
