

# SuperSaver

**Now that you've chosen your gown,  
it's time to think about your Bridesmaids!**

You can help save your attendants a lot of money by taking advantage of Bella Rosa's **SuperSaver Program**. It's easy! Here's how it works:

- For parties of two or more, each attendant's gown is discounted by as much as 20% (see the yellow "SuperSaver" price tag on each gown.)
- Each attendant's gown must be paid in full at the time of order, and the entire party's order will be placed together with the designer to insure color consistency.
- Each gown will be received from the designer by Bella Rosa, inspected for quality and accurate sizing, tagged with each bridesmaid's name, and forwarded together to your designated "ship-to" address below.

With over 200 bridesmaid styles to choose from, we know you'll be able to find just the right look for your wedding party!

#### **Additional Terms:**

- Bride will be provided with all the necessary order forms and information (including size charts) and will be responsible for the sizes ordered in the group. Bella Rosa staff will be available for measurements and advice, but final responsibility will rest with the Bride. Due to designer policies, refunds, returns, cancellations & size exchanges are not possible.
- Single "Add On" orders placed with the store after the other gowns have been ordered from the designer are not eligible for discounts. Two or more "Add On" orders may be placed together as a separate SuperSaver order but such orders may be delivered separately from the other gowns and may come from a different dye lot.
- Neither the Bride nor the individual bridesmaids will be allowed to pick up dresses from the store. All dresses will be shipped to the bride, regardless of her proximity to the store.
- UPS Ground shipping is complimentary within Virginia. For addresses outside Virginia, a single \$30 shipping charge will be added for the entire order. Quicker delivery is available at additional cost. Although merchandise is insured, it is advised that the bride provide an address that is attended during delivery hours to minimize the chances of theft or damage. Bella Rosa can take no responsibility for packages left unattended at the bride's shipping address, or for damages due to theft or weather.
- Alteration service by *Fariba Alterations* and pressings are both available within the store by appointment and at additional cost.
